AMY

Micro-bouclé dal movimento controllato: texture sottile, tatto vivo, eleganza informale.

Il tessuto Amy anima la superficie con un micro effetto bouclé dal movimento visivo controllato: texture sottile ma ricca di carattere, piacevole al tatto, mai invadente. Perfetto dove serve eleganza con un tocco caldo e informale: divani, testiere, sedute e complementi in ambienti contemporanei. Il micro-bouclé dà materia senza rubare la scena: funziona sui divani di rappresentanza come sulle testiere, dove una texture più marcata risulterebbe pesante. La mano delicata lo rende adatto anche ai complementi che si toccano spesso.
