PRAGA

The sheared handle of a technical velvet and a tone-on-tone print, with a water-repellent treatment.

Praga has a particularly soft handle, with a sheared tactile effect reminiscent of a technical velvet. The surface is enriched by a light tone-on-tone print inspired by minimal natural motifs. The pattern adds depth and movement without drawing attention to itself: the style stays elegant and discreet. The water-repellent treatment protects against liquids and stains. It is the fabric for homes that are really lived in: the tone-on-tone print hides the signs of use, and the water repellency gives you time to deal with a spilt liquid before it soaks into the fibre. The shades can be compared side by side in browse by colour, which gathers every shade in the catalogue. The fabric is available from stock, shipping within 24/48 hours in Italy.

TECHNICAL SPECIFICATIONS

Width	142 cm
Weight	~400 g/m²
Composition	100% polyester
Abrasion test	30,000 Martindale cycles
Care
